### Basic Information

- Place of Origin: China
- Brand Name: Tesla
- Certification: CE
- Model Number: For Model 3/Y
- Minimum Order Quantity: 10 pieces
- Price: negotiate
- Packaging Details: customized packing
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: current stock available

### Product Specification

- Manufacturer Part Number: 1077392-00-F
- Vintage Part: No
- Lens Color: Clear
- Universal Fitment: No
- Light Color: Cold White
- Voltage: 12 V
- Lighting Technology: LED
- Mounting Style: Screws
- Type: Headlight Assembly
- Housing Color: Black
- Highlight: **Tesla Model Y Front Fog Lights,  
Tesla Model Y Daytime Running Light,  
Tesla Model Y Spare Part**

## Product Description

### Daytime Running Light Front Fog Lights Right for Tesla Model Y 1077392-00-F Spare Part

#### About this product:

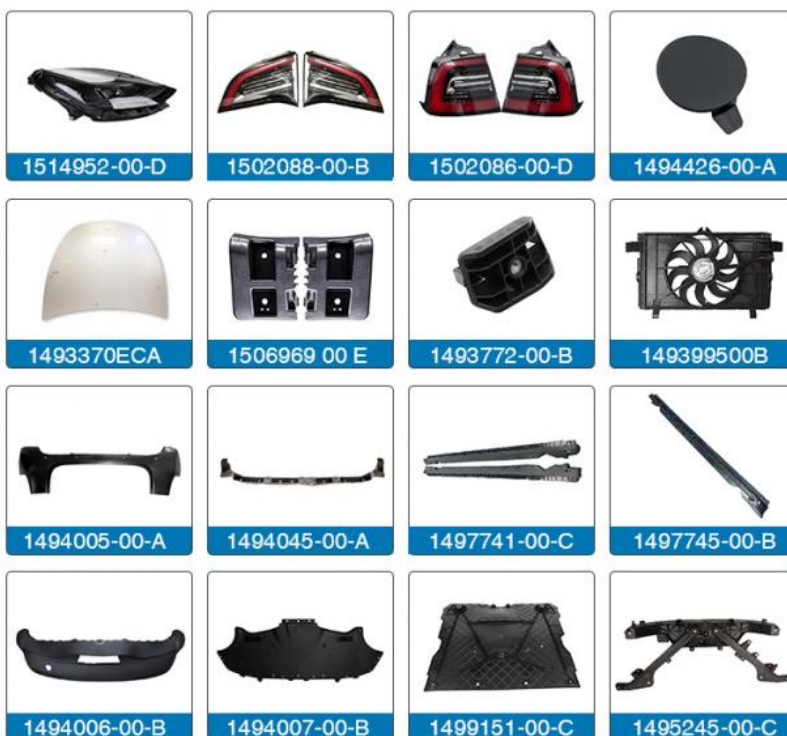

The headlight is the main left UP LEVEL (USA) on the Tesla electric car. This is an important component of the car that provides control of the road at night. With its innovative shape and structure, the UP LEVEL left headlight for the Tesla Model 3 offers excellent visibility in all weather conditions. Improved optics significantly improve the efficiency of the product. These are original Tesla spare parts that have the manufacturer's brand mark on the body. In the event of a failure of a component such as the UP LEVEL left main headlight, it is recommended to immediately replace it with a working part. Use only genuine Tesla parts to ensure stable operation of the car. Component name and factory reference: HD/LP ASY, SAE UP-LEVEL, LH, 1077371-10-L.

#### Compatibilities:

| Year | Make  | Model | Trim                                | Trim                |
